BACKCOUNTRY HORSEMEN

Concerned Men and Women Dedicated to Gentle Use of California Trails and Backcountry

Presidents Message

What a great time of year. There is nothing better than getting together with family and friends at this time of year. We have so much to be thankful for. We are blessed to live in a country with our freedoms to still do the things we love. Every time I ride the magnificent Sierras it is as if God has put this here just for me. I have been privileged to enjoy this beautiful country for most of my life. I hope to see many of you at this year's Christmas dinner. My Christmas wish is that you all have a wonderful Christmas and a blessed new year.

A big thank you to all of you who made it out to the gorge for the work party. Thanks to Ruth and Marcie for putting this together.

It is a quiet time, but busy. What a blessing the rain has been. We are taking advantage of this time to plan projects and try to secure grants for next year's projects that are already being planned.

If you would like to sign up to host at Big Meadows in 2023 just let Jim Knabke know. His e-mail is jjknabke@comcast.net. Remember as host you are guaranteed two corrals and a camp spot. Thanks to those who continue to support the Big Meadows camp, we could not continue without your support.

Our Christmas dinner is fast approaching. Once again we will be honored to have the Gilley Girls with their wonderful music. This

year the board has decided to have our dinner catered taking the burden off of our unit. As a result of this decision and rising prices we felt it necessary to raise the ticket price to \$35.00. Our hope is this will not deter anyone from participating as this will be a wonderful event. Reservations to Jim or Debby Dixon see flyer for details.

Our calendar is available both on our website and in our newsletter. Keep an eye on the calendar and hope to see you at one of the events. Thanks to all who continue to participate and those of you who continue to be part of our unit. Don't forget, if you would like to sponsor a ride we would be glad to have your input.

Remember to stay in the saddle. The ground is hard.

DUTCH OVEN FRENCH TOAST BAKE

This Dutch Oven French Toast Bake is a great breakfast idea when feeding a crowd. Toasty edges and tender on the inside, it's everything you love about French toast - just a lot more of it!

INGREDIENTS:

- 8 slices thick bread
- 1 cup of milk
- 3 eggs
- ¼ cup sugar
- 2 tablespoons cinnamon
- 1 tablespoon vanilla extract
- ¼ teaspoon salt
- ¾ cup blueberries

INSTRUCTIONS:

1. Start your coals. Cut out a circular piece of parchment paper to serve as a liner inside a 10-inch Dutch oven.
2. Tear the bread into rustic pieces (roughly 2 inches square) and place in the Dutch oven on top of the parchment paper.
3. In a large bowl, thoroughly mix the eggs, then stir in salt, sugar, cinnamon, and vanilla extract. Once those ingredients are fully incorporated, stir in the milk.
4. Now slowly drizzle the mixture over the bread. Use a wooden spoon or rubber spatula to lightly toss the bread until each piece is evenly coated. Sprinkle the blueberries on top and mix gently.
5. Cover the Dutch oven and set it over seven evenly spaced briquets, then add 14 briquets to the top of the lid, giving a cooking temperature of about 350 degrees in a 10-inch oven. (Use 16 total coals for an 8-inch oven, or 25 for a 12-incher, placing about one-third of the coals underneath and the rest on top.) Bake for about 30 minutes. Serve with butter and maple syrup.

THE GORGE WORK PARTY

It was a subfreezing 24 degrees at 6a with 16" of snowfall in last 2 days, which was melting and this morning the roads were SUPER ICY as I made my way down. But the lake view at 6:30a was so beautiful.

There was a small but mighty group for the BCHC SJSU work party at San Joaquin River Gorge yesterday. Lucky for me temps were now in low forties.

4 single riders, 2 stock handlers (1 horse; 1 pack animal) and of course our base camp captain who monitors radio and holds the fort down.

We were out for roughly 5 hours clearing trail in the north side of the preserve. So much overhang and overgrowth that we only were able to clear about 1/3 of the trail.

I believe there will be another planned work party in spring 2023...stay tuned and hope to see more folks at this one! My mom always said "Many hands make light work"...how wise she was.

One of the challenges of the day was a 60' dead tree that overhung over the trail so much so riders had to duck passing under. So, the brothers took this task on. At one point our pole saw could not reach high enough to finish the job...so, Doug and Jim engineered to throw a weighted rope over and pull the partially cut large limb down. SUCCESS! It was quite a large task and the brothers (after some good natured sibling bantering) got the job done brilliantly. Thank you guys! Not to be left out - the rest of us gals did a lot of limb and branch trimming all through the day!

It was great riding with the hardworking brothers Doug and Jim, Cara, Hicks Hansen Marcee and her trooper of an aunt Lois as well as of course our base camp captain Ruth! See y'all again real soon.

CHAINSAW SAWYER CLASS NOVEMBER 4-6

Joe & Carol Kaminski and Doug and Jim Laber attended First Aid and Chainsaw class with the Sierra Forest Service with Mike Nolan Instructing. We went up the hill to the Prather station on the first day for first aid and spent the day in class for first aid and CPR with about 24 others from various 4-wheel drive clubs. After class on Friday, we met Katie and Fred at Velasco's in Prather for dinner and then headed down Tollhouse to stay overnight at Katies in our trailers. We all went up to Katies after we got settled and had great conversations on Katie and Fred's time spent at the Thomas A Edison Lake resort When Katie and family ran it. Of course, we had to ask about the large stuffed trout Katie had in her home and heard about records caught at the lake. Wonderful conversations and a thanks to Katie and Fred for having us while we attended classes over the weekend. Saturday morning, we headed up to the FS workstation at Huntington Lake and spent the day there in class and on the grounds cutting and learning all the safety precautions for bucking on the trails. We met Katie and Fred again that evening for dinner at the Pizza Factory and stayed at Katies overnight Saturday. Joe and Carol went down the hill that evening and Doug and I got to visit again and get showers, thanks to the hospitality of Katie and Fred. Sunday because Doug was new to certification, we had to go back up to the workstation again and spent another day in class and on the grounds cutting again. We learned a lot over the course of the weekend and hope to put this knowledge to work again this next season on trail clearing projects.

DESERT RIDE AT STARLIGHT RANCH NW OF ROSAMOND CA

February 17-19, 2023

We were made aware and found Indian Petroglyphs in this area last year and will be taking a ride to them on Saturday. A Breakfast to be provided by 9:00am Saturday and Sunday. Potluck Dinner Saturday, we will provide the main course and please bring an item to share. We need **RSVP by February 13th**. Need to bring water for you and your horse and anything else you want to drink. Some beds available but need to secure with us. Terrain is simple to difficult depending on trail, with all trails being packed to loose desert soils that are easy on the hoofs. Most of the trails/roads are a gradual climb but depends on what you want to do. Clean up needs to be done behind horses/stock and distributed outside fence. Take out all other that you bring in. There is an outhouse on the property and a flush toilet in the house. May want to bring your own toiletries to be safe. The gate at the ranch will be open at noon on the 17th and property will be cleared and gate closed by 2pm Sunday the 20th.

Directions: LAT: 34.924709 LON: 118.382792 Starlight Ranch is already tagged on google maps if you use that. The map shows traveling on what is called Aqueduct RD but you want to go 30' further on Backus Rd, to what we call Upper Aqueduct RD where you will see a large Rock painted with a Smiley Face. Although the lower road can be used to get there, there are more obstacles and a large dip that larger trailers may have issues with. Take CA Hwy 99 south to CA Hwy 58 East

out of Bakersfield to Tehachapi about 43 miles. Exit at Tehachapi Blvd and go Right on Tehachapi Blvd. Loves Truck Stop will be on your Right. Continue on Tehachapi Blvd for 1 mile and go Right on Willow Springs Road and follow for 16.0 miles where you will turn Right on Backus RD. Backus RD is paved for about 1.2 miles When you come to the end of the pavement you will see a dirt road to the right that you will proceed on. The rest of the trip is on dirt roads. You will continue on, Dirt Backus RD over a short bridge and on to Upper Aqueduct RD. You will see a large rock painted with a Smiley Face. Turn left and continue on Upper Aqueduct RD for 3.6 miles to 140th St. (**Note: Google tries to get you to turn prior to Rd 140. Do not take that turn. That's the hard way. We will have the way marked with BCHCSJSU Directional signs along the dirt road**). There will be a curved dirt road leading to the right onto 140th St and most will want to take that. You will then see a sign on your left that says Starlight Ranch. Go left before the sign and drive straight back about 100 feet and through the gate to the ranch. You will need to bring water for overnight stays. The ranch is cyclone fenced but horses/stock will need to be tied up. There are just 3-4 highline areas first come first serve. There are some bed opportunities in the house and out buildings on the property but please call to claim. Jim and Doug Laber will be hosting the ride at the Starlight Ranch which is owned by Family. We will have a generator there that gives us lights in the house in the evenings. There is a large patio and fire pit for gatherings. Firewood if you have it will help and we will be bringing some out with us. It can get very cold and or very windy at the ranch so be prepared for that. Hope to see you there! WILDERNESS RIDER PROGRAM (Continued)

FREQUENTLY ASKED QUESTIONS CONCERNING THE WILDERNESS RIDER PROGRAM

What is the Wilderness Rider Program?

The Wilderness Rider program is a partnership between Backcountry Horsemen of California, the National Park Service, the USDA Forest Service and the Bureau of Land Management. Wilderness Riders are trained stock users who have made a commitment to educating others about the value of wild lands and the importance of Gentle Use / Leave No Trace Skills.

What is the Wilderness Rider Job Description?

Wilderness Riders represent the BCHC, the Park Service, Forest Service and BLM. Their duties are weighted equally between work in the field and workshop presentations.

The Wilderness Riders are mounted volunteers who ride high use areas educating stock users and others about the value of wilderness and the importance of GU/LNT Skills. They may also be called upon to monitor trail maintenance needs, maintain trails, conduct on site restoration, trailhead education, field based GU/LNT instruction and other duties as requested by the agency contact.

Wilderness Riders schedule and deliver educational sessions on how to practice GG/LNT Skills in or out of doors, and could involve hands on demonstrations, skits, slides, videos, and other multi-media presentation tools.

The Wilderness Rider must be able to maintain relationships with the agency partners and community members, schedule their own trips and educational sessions.

What are the Wilderness Rider Job Requirements?

- Must be committed to practicing and teaching GU/LNT techniques.
- Must possess demonstrated skills in public speaking; including the ability to interact with individuals, groups, and ndiverse audiences.
- Must possess demonstrated skills in riding and stock management and within two years of completing course demonstrate packing abilities.
- Must be 18 years of age or older.
- Must provide own stock.
- Must be accepted into and successfully complete a five day Wilderness Rider training course.
- Must annually submit project report forms
- Must perform two mounted field sessions, trailhead education, or backcountry GU/LNT training.
- Must fulfill two GU/LNT speaking/teaching workshops per year.
- Must be able to schedule and deliver workshops on GU/LNT Skills.
- Must be able to establish and maintain a working relationship with contacts from the agency partners.
- Must attend a refresher course, once every two years.

What is the Wilderness Rider Selection Process?

- Submit a Wilderness Rider application at the BCHC Rendezvous, or by April 20 of the course year.
- You must be interviewed by the selection committee, preferably at the Rendezvous.
- The selection committee reviews applications and calls references.
- Wilderness Rider selection committee chooses successful applicants.
- Successful applicants are notified by the selection committee by June 1 of the course year.
- If selected the participants must join Backcountry Horsemen of California.
- Participant must complete Wilderness Rider Training Course
- Participant must be accepted into the Wilderness Rider program by the training course instructors.

Other questions concerning selection process:

- You do not need to be a member of BCHC to apply, but if selected you must join BCHC for insurance purposes.
- The selection committee is decided by both the Wilderness Rider Steering Committee for each course year.
- You must be interviewed by the selection committee, preferably at the Rendezvous.
- The selection committee reviews applications and calls references.
- Wilderness Rider selection committee chooses successful applicants.
- Successful applicants are notified by the selection committee by June 1 of the course year.
- If selected the participants must join Backcountry Horsemen of California.
- Participant must complete Wilderness Rider Training Course
- Participant must be accepted into the Wilderness Rider program by the training course instructors.

What are the questions on the application form?

- Please describe your riding experience, packing and stock management skills.
- Please describe your public speaking experience with individuals and groups.
- Why do you want to be a Wilderness Rider?
- Name three references, their phone number and affiliation, who can verify your qualifications for the Wilderness Rider program.
- What wilderness area(s) do you usually ride in?

Questions concerning fieldwork:

- For the most part, WRs should ride to fulfill the field commitment. The program is based upon the concept of mounted stock users talking and visiting with other backcountry users.
- WRs are encouraged to work in pairs. Ideally this would be a WR and a companion. It is acceptable for WRs to ride together.
- Safety gear and helmets are a participant's personal preference.

Graduation Requirements:

- A participant may choose not to become a WR.
- At the discretion of the instructors a participant may not be in the program. Reasons are based on the participant's ability to fulfill the basic job requirements.
- All participants of the WR program will receive a certificate of completion and 100 points towards the Gentle Use Program.

What is the Refresher/Update Course?

- WR must attend a weekend course once every two years. This course will include any topic which the WRs feel will improve their skills and any update from National Outdoor Leadership School. Classes specifically pertaining to packing skills have been requested and given along with many other topics. Members of the WR Steering Committee and Education Steering Committee organize this course.

Can a WR be put on probation?

- A Wilderness Rider may be put on probation by not fulfilling the minimum field/educational workshops, by not following the guidelines established by the WR Steering Committee called the Code of Conduct and Uniform Code, by not meeting the agency expectations, or by not filing their yearly project reports. After one-year probation without improvement, the WR will be requested to step down and return their badge and name plate.

To be continued in the next edition.

BCHCSJSU SHIRTS

On the trails we work and ride we share the trail with others, that at times have trouble seeing us because of shadows and various modes of transportation used, especially in non wilderness designated areas.

For that reason your unit board of directors has made this shirt available for safety on trail rides and work parties as well as a way to promote our unit and its activities.
