BACKCOUNTRY HORSEMEN

OF CALIFORNIA

Concerned Men and Women Dedicated to Gentle Use of California Trails and Backcountry

Presidents Message

We recently had a state BCHC meeting and it was discussed to come up with a business plan as it would open us up to more grant possibilities. A big thankyou goes out to Debbie McDougald for

securing a grant for last year which helped to off set cost and purchase tools. We are currently looking at grants for the next year.

Good news Bad news. Due to weather we are currently experiencing much needed rain and snow. Due to weather we have had to reschedule a couple of rides including a day at Steve Naylons. Stay tuned for updates. In March we will have Dr. Troy Ford speaking and taking questions at our general meeting as he had to reschedule from January due to illness. Don't forget top put the rendevouz on your calendars

from March 29-31. This year to be held in Norco where they always put on a great event.

We are currently looking for someone to fill the position of tracking hours. If interested please let me or another board member know.

We are still looking for a historian for our unit. Also if you have a favorite place to ride and would like to host a ride, we would be glad to help with the particulars.

Remember to stay in the saddle, the ground is hard,

Joe Kaminski
President

Trail Trials

Looking for something else to do with your equine friend. How about trying Trail Trials. Even though you are a good rider, these events put you and your mount to the test. It helps you realize just how well you both work together. Getting involved with CSHA Trail Trial Program allows you to ride in many places that are not normally open to the general riding public. You ride with sometimes around 50 participants and have an opportunity to learn different things. Of course not all fifty go out together. Groups of four are started on the course in fifteen minute intervals. You don't have to be a member to do a trail trial but you do if you want to be invited to the State Championship event. For the 2019 year they already have 10 events scheduled. Actually most of the events are two days and each day is considered a separate trail trial.,So one event is two trail trial rides. The events are weekends. For you local Fresno area riders the events are usually with in 3 to 4 hour drive.

CSHA Trail Trial Program is a sanctioned program where riders are judged on their skills and abilities to guide their horse/mule through a natural course. All obstacles are those that might naturally occur on a trail. Each Trail Trial is a individual day with 10 to 12 obstacles covering a 4 to 8 mile trail. Most of the trails are in mountain type terrain. None of the obstacles are designed to scare your animal. Each obstacle has a judge that is looking at your ability to maneuver the obstacle in a safe and correct manner. Not only is your ability being judged but also the ability of your mount. Everyone enters an obstacle with a zero and loses points for your or your mount mistakes. A typical trail course the maximum points one can lose is between 240 to 250 points on a 10 obstacle course. You must participate in at least three trail trial events, work an event and be a member in order to be invited to the State Championship. There are three BCHCSJSU members that are members of CSHA Trail Trial Program. Patricia Peverill, William Peverill and Debbie McFarren. If you are interested in getting more information you can contact one of them. Also you can check out the trail trial web page trailtrials.com

WHERE DO YOU WANT TO RIDE?

By: Cara Peterson

To ride or not to ride, we reason.
It's hard to tell, in this wet season.

If adventure is what we dare,
Then the question, becomes where?
Riding the Gorge is the thing to do,
But sometimes we need a change or two.

Aunt Pyllis is the one to call,
Ask to ride the road is all.
Her reply is just so grand,
Park at the house and ride our land.
No cattle are running, the gates are open,
We get to ride, where I'd been hopin'.
She hangs a banner, as a welcome touch,
The ranch invite, just means so much!

Objectives & Purpose of the Backcountry Horseman of California

From the BCHC Bylaws

- To improve and promote the use, care and development of California backcountry trails, campsites, streams and meadows; to advocate good trail manners.
- To promote the conservation and utilization of our backcountry resources in concert with livestock transportation.
- To keep the backcountry trails and forage areas open to horseman on all public lands.
- To keep current information before the Corporation membership and its local Units regarding new legislation or management plans related to government regulations of the backcountry.
- To support or oppose new proposals, plans and restrictions as related to the interest of horsemen and those persons interested in recreational stock use and enjoying the backcountry.
- To promote the interest of people who, due to health or physical factors, need transportation other than by foot on backcountry trails.
- To promote public awareness and interest in the historical aspect of horsemen and stock in the back-country and to help educate backcountry users on the ways to use the trail and foraged in a manner that conserves the backcountry resources.
- To assist in keeping the public informed of the vital need for a clean backcountry.
- To promote a working relationship with and keep the work and interests of the Corporation before our local, state and federal officials.
- To assist in the formation and continuation of local Units to carry out these purposes.
