BACKCOUNTRY HORSEMEN

Concerned Men and Women Dedicated to Gentle Use of California Trails and Backcountry

Presidents Message

SPECIAL ALERT: California is currently looking to change the requirement for a class license to pull your horse trailer. Please let your representative know your opinion on this possible change.

One thing we have learned this past year is to be flexible. After finding out Jose Basin was shut down, we regrouped and went to Shaver Lake camp to clean up around camp and remove debris from trails. We had perfect weather and good food. Thanks to Ruth Cramer and Duane Peverill for heading this up. We also had a great turnout for Big

Meadows to get the camp ready for the season. Thanks to all who participated and braved the snow flurries. A special thanks to Gary and Sue for bringing up their tractor. May is one of our general meeting months and a really good turnout. Our own John Mikkelson speaking on emergency preparedness. Great job and great participation, thanks John.

If you are interested in the Edison work party, please let me know right away.

Once again I want to remind you to get your reservations in for Montana de Oro. As you know this ride is very popular and usually fills up every year. For reservations contact Gary Van Sickle at 559-288-0301.

We are also looking forward to our annual Poker Ride at Shaver Lake. The ride will take place in areas untouched by the fire. It should be a great time with good food, great fellowship and lots of fun. As always we will be looking for raffle donations. Last year the donations were great and we really appreciate the help. We look forward to another great ride.

Hope that you have some great rides planned this summer. Be sure to send pictures in for the newsletter. We hope to see you on the trail. Be safe and have fun.

Thanks to all who continue to participate and those of you who continue to be part of our unit. Don't forget if you would like to sponsor a ride we would be glad to have your input.

Remember to stay in the saddle, the ground is hard,
Joe Kaminski
President

NEWS FROM SHAVER LAKE HORSE CAMP

Saturday, May 15th was a work day at Shaver Lake, which was chock-full with volunteers cleaning beaches and clearing trails. In conjunction with the Shaver Lake Trail Volunteers, Southern California Edison, and others, the San Joaquin Sierra Unit's task was to clear the Perimeter Trail from Camp Edison to the Boy Scout Camp. Recon riders had identified 9 or 10 areas that needed work.

Several members elected to camp over the weekend and enjoy the perfect weather for riding. They were joined by the others on Saturday morning for the saddle up and safety tailboard, where it was learned that Paul Barile from the Shaver Stables and Lee Houten from SCE had taken advantage of the weather and cleared during the week most of the spots that had been marked. (Thanks to all the volunteers who

worked on the cleanup) Instead of 10 trees, there was brushing and cleanup work to do, which was soon accomplished. With that, Doug and Jim Laber had time to search out likely trails for the Poker Ride this August. Anyone wanting to reserve the camp for that event should make their reservations now.

Shaver Lake Horse Camp is open for your use, the corrals are secure, the trails are cleared and the beaches are clean.

Hope to see you taking advantage of the opportunity to camp and ride at beautiful Shaver Lake.

To sign up to use the camp, contact Ruth Cramer at: racramer@outlook.com

Dutch Oven Pigs In A Blanket Bake

This Who doesn't love the classic pigs in a blanket? It is a good recipe to make when camping but if you are really looking to do something different, we'd suggest this pigs in a blanket bake. It makes a seriously good breakfast casserole, right in your dutch oven.

INGREDIENTS:

- 2 16oz boxes frozen buttermilk pancakes
- 4 eggs
- 1½ cups half and half
- 1 14 oz package cocktail-sized smoked link sausages, chopped
- 1½ cups shredded Cheddar cheese
- Maple syrup

INSTRUCTIONS:

1. Lightly oil or spray 12 inch dutch oven. You can also line with tin foil and spray that. Remove pancakes from boxes; unwrap and carefully separate. Set aside to partially thaw.
2. In large bowl, beat eggs and half and half with whisk. Coarsely chop pancakes. Add pancake pieces and chopped sausage to egg mixture; toss to coat.
3. Let stand 5 minutes. Pour mixture into prepared dutch oven.
4. Bake at 350 degrees for 40 minutes. Sprinkle with cheese, cover and cook for 10-15 minutes more or until edges are set and light golden brown. Let stand for 10 minutes.
5. Cut into squares; serve with maple syrup.

Come and enjoy Horse Camping at the Madrone Group Horse Camp at

Montana De Oro State Park

The park's name, "Mountain of Gold," comes from the golden wildflowers that bloom in spring. The Park features over 8,000 acres of rugged cliffs, secluded sandy beaches, coastal plains, streams, canyons, and hills, including 1,347-foot Valencia Peak. No dogs are allowed on trails.

July 8, 9, 10, 11, 12, 2021

Camp is available from 2:00pm Thursday 7/8/21 until noon Monday 7/12/21.

There are miles of horse trails along the beach and in the foothills for all levels of riding.

Potluck: Join us for a potluck dinner Saturday night. Bring an item to be shared and your own meat item for our grill.

Cost: Horse and rider for 4 days is \$ 45.00; Additional individuals \$ 3.00

Madrone Group Camp has 18 corrals, pit toilets, water for horses only, no showers, and no hook-ups.

The Lighter Side

A horse limps into a bar one day. He's got a bandage around his head and looks really ill.

He orders a glass of the most expensive champagne, a vintage brandy and two pints of Guinness.

When the bartender serves them to him, he quickly downs them all.

Then he says, "You know, I shouldn't really be drinking this with what I've got..."

The bartender asks, "Why, what have you got?"

The horse replies, "About 2 dollars and a carrot."

PUBLIC LANDS NEED YOUR HELP NOW!

NATIONAL ISSUE - The Coalition for Recreational Trails (CRT), which includes many national trail organizations that campaign in support of the federal Recreational Trails Program (RTP, federal gas tax used in all states for trails-related grants).

WE NEED YOUR HELP THIS WEEK. Please call your representative in Congress to ask that they:

"Please co-sponsor HR 1864, the RTP Full Funding Act."

Tell them you are a constituent for their district, then briefly describe why the RTP is important to you. [sample talking points are listed below]. Phone numbers for your representative in Washington DC can be found here: <https://www.govtrack.us/congress/members/map>.

View this link to see which 16 members of the House of Representatives already have co-sponsored HR 1864: <https://www.congress.gov/bill/117th-congress/house-bill/1864/cosponsors>. If your representative has already signed on, send them a thank you.

Thank you for taking action to support the RTP! Time is of the essence and your calls are needed THIS WEEK!

Suggested talking points provided by Randy Rasmussen of BCHA to use in your call:

- The RTP is critical for the continued development and maintenance of trails across the country for all recreational interests.
- Please co-sponsor H.R. 1864, which would ensure proper funding and transparency of the proven and essential Recreational Trails Program (RTP).
- For more than a quarter-century, the RTP has provided funding for recreational trail development and maintenance across all 50 states and the District of Columbia.
- The RTP benefits motorized and non-motorized trails for people of all interests and abilities. RTP funds are used to design, construct and maintain our local trails.
- The RTP is based on the "user-pay, user-benefit" model of the Highway Trust Fund and is funded through taxes paid on gasoline purchased to fuel off-road and other recreational vehicles.
- Under the RTP, funding is sent to the states to administer their programs and recommend which applications should be approved by the Federal Highway Administration (FHWA).
- RTP funds are vital because they can be used for trail maintenance.
- Currently, the RTP program's funding is held at \$84 million nationally. However, a nearly decade-old government estimate of off-highway recreational gas taxes paid suggests that users pay more than \$270 million annually in gas taxes. H.R. 1864 will more than double RTP funding to at least \$250 million.
- Numerous outdoor recreation organizations, including Back Country Horsemen of America, strongly support this legislation.
- As a member of BCHC and BCHA and a supporter of RTP, I urge you to co-sponsor the Recreational Trails Full Funding Act of 2021 and communicate with the Committee on Transportation and Infrastructure your support for extending and fully funding the RTP.
- Please contact Alex Piper in Rep. Welch's office (alex.piper@mail.house.gov), or Troy Dougall in Rep. Curtis' office (troy.dougall@mail.house.gov) to become a co-sponsor

STATE ISSUE – Good News – SB 287 “Trailer Licensing Bill” has been moved out of suspension. This is the bill that will allow drivers towing horse trailers to be held to the same licensing as RV’s. The law now says drivers pulling trailers rated up to 10,000 lbs. may do so on their regular license. This weight is listed on a tag somewhere on your trailer. Remember it is the “rated for weight” not how much the trailer weighs.

Currently, if your horse trailer is rated for over 10,000 lbs. you must have a Commercial Class A license, this is the same license as commercial truck drivers have and requires a medical exam every one or two years depending on your medical condition, an additional written test and specialized driving test at the DMV.

Years ago, the RV industry lobbied for and got the law changed to allow RVs rated up to 15,000 to be towed on a standard driver’s license with an RV endorsement. However, remember your living quarters horse trailer is not considered an RV under current law.

If SB287 passes, it would allow us to tow horse trailers (including goose necks) rated for up to 15,000 lbs. on a standard driver’s license with an RV endorsement. The RV endorsement requires an additional written test at the DMV.

This bill is now moving toward a vote. Please contact your local district Senator and ask them to support AB287. You can find your district Senator at: <http://findyourrep.legislature.ca.gov> . Please call or email them as soon as possible. We are not sure when this will come up for a vote.

By the way, BCHC will have their booth at Mule Days. If you are attending, please come by to visit or lend a hand in the booth, with the sawing or iron pack mules. Hope to see you there.

BCHC Note on May 21, 2021 General Meeting

To: All Members of BCHC San Joaquin Unit

If you did not attend last Wednesday night, May 19th, BCHC General meeting and the fantastic guest speaker John Mikkelsen, you missed a fabulous informative presentation. Topic was Search & Rescue and Orienteering. The topic was not only on just search and rescue; it really had more to do with what all of us should, as backcountry horseman carry in our saddlebags for emergencies. It could be a horse or rider or find a hiker on the trail in trouble. Most people (even BCHC members), do not carry any supplies what so ever. I know, because when I was “younger” I did carry a medical kit in my saddle bags for horses and people. Thank goodness I never had any problems myself, but I sure had to help numerous people and their horses on the trails that were not prepared. I only had the basics but was always glad to help. I can’t do the high country anymore but have fun on the low country, lol. There were so many items I should have had with me that I didn’t even think of. I hope John will be a speaker again for those who missed it. It truly is well worth it. Thank you John, it was a great informative evening.

Happy Trails

BIG MEADOWS HORSE CAMP – Open and Still Free Horse Camping

Open 2021 courtesy of Backcountry Horsemen of California – San Joaquin Sierra Unit

BACKGROUND

Big Meadows Horse camp is located in the Sequoia National Forest at about the 7000 foot elevation. The camp is for horse camping. There are about 16 pipe corrals with campsites with fire rings. This camp has been open to the horse-public for many years on a no reservation, no fee basis. However, the US Forest Service (USFS) was scheduled to have a vendor take over this site and have it run as a fee, reservation only horse campground in 2016. Because of the long association of Backcountry Horsemen of California (BCHC) with this site, the USFS agreed to let BCHC run the site. Our club has operated the campsite since 2016 and has had a BCHC host as well. The camp will be run pretty much as it always has – no fees, first come – first serve.

KEEPING THE BIG MEADOWS HORSE CAMP OPEN

If you are a horseman and like to ride in the Sierras and have not been to this camp, this is a great venue. If you are a veteran of the camp and have enjoyed staying, you can keep enjoying the camp. Our club unit is a volunteer organization and the camp will stay open if we can afford the expense of maintaining the camp (we have to pay for trash pick-up, lavatory supplies, etc.). **Donations are what will keep the camp open and running as it always been run** – otherwise it could become a very expensive outing with all the reservations gone on January 1. So if you like the camp, help keep it the way it is!

Donations can be sent to : BCHC San Joaquin Sierra Unit

P.O. Box 25693, Fresno, California 93729-5693

Mark Donations for Big Meadow Horse Camp

LOCATION

The camp is in Sequoia National Forest on the edge of Sequoia-Kings Canyon National Park (you have to enter the park to get here). From Fresno, CA, take highway 180 eastward to The Generals Highway (highway 198) and turn right onto 198; go about 7 miles to forest road 14S11 and turn left. There is a Big Meadows sign there; road 14S11 is paved; the camp is about 4 miles up the road (camp co-ordinates are 36°43'01.76N 118°50'57.71W).

There is no drinking water at the camp – bring your own. Early season may have some stock water available, but you should plan on the need to have water for your stock.

There is a good, maintained pit toilet at the site.

Fire rings are at the campsites; weather, drought, and USFS control whether fires are allowed or not.

Will be open in 2021 starting when weather permits (probably sometime in late May)

BIG MEADOWS 2021

Our Club will again be in charge of the Big Meadows Horse Camp in 2021. We need

Volunteer Camp Hosts for the upcoming season. If you are a host you get a guaranteed camp site and two corrals for your animals. There are some host duties but they are not burdensome. The season runs from about the end of May to the end on September. Savvy members will snap up their preferred dates. Enjoy the High Sierras and help your club. Call (559-779-4715) or email (jjknabke@comcast.net) Jim for more info.

MAXSON MEADOW/ TRAILHEAD TRAIL WORK

By Jim Laber

Maxson Meadow/Trailhead trail work and causeway rehabilitation. We started the work project with an excursion at Cara Peterson's cabin in Shaver the Thursday before the work party. When we arrived, we proceeded to get our horses ready for a ride behind Cara's cabin that she had planned for us. This was our first ride in and around burnt areas of Shaver and Cara had mapped out a ride with markers on the trails where we collected letters written on the ribbons. Tammy and Richard, Lois Patton, Joe and Carol, and Doug and I set out to find our letters. When we returned from the ride, we had to put the letters together to form a word which we all had a tough time figuring out but finally and to my embarrassment landed on "GRAPHICS". Yea I know it's in my company's name. Cara was a great host and fed us well

and we all enjoyed her great cooking and fellowship with Jim and Debbie Dixson joining us from next door for evening meals. Friday Doug and I rode out of the Fish Camp area trying to scout trails for the upcoming Poker Ride that would give a good view of the lake.

Saturday morning, we were up early getting ready for the Maxson work party and after a delicious breakfast were off to Courtright Reservoir and the trailhead. We split the work party up and Jim Dixon, Tammy, Cara, Doug and I working out of the Maxson Trailhead packed up and headed out to the causeways. We met up with a forest service crew led by Debbie McDougal and helped to shore up and resurface the causeway that should be safe for stock now for the foreseeable future. Joe and Carol, Bob Schwoerer from Shaver, and Richard went out and worked on but did not finish the causeway going into Chamberlain camp. We are hopeful that materials will soon be available to finish the work there.

When we finished on the Maxson trailhead side we all loaded up and proceeded to the Chamberlain side and found a loose horse on our way over the Dam that had gotten loose from a Clyde Pack station string and secured the horse for them. Joe and Carol and their crew were already on their way out by the time we hit the trail as they had run out of materials. Great crew and great work by all that attended.

Big Meadows Horse Camp Sponsors

Your unit pays the cost of maintaining and hosting the Big Meadows horse camp. We are seeking sponsors (8) in total that will be exclusive to the Business/Industry type. Sponsorships are \$500 each per calendar year. Sponsors will be advertised on our web page, our facebook page, at the camp, and in our monthly newsletter. Please show your support to these sponsors. If you or someone you know would like to be a sponsor please contact Joe Kaminski at (559) 909-0505. If interested in being a camp host for this season, contact Jim Knabke at (559) 779-4715.

Objectives & Purpose of the Backcountry Horseman of California

From the BCHC Bylaws

- To improve and promote the use, care and development of California backcountry trails, campsites, streams and meadows; to advocate good trail manners.
- To promote the conservation and utilization of our backcountry resources in concert with livestock transportation.
- To keep the backcountry trails and forage areas open to horseman on all public lands.
- To keep current information before the Corporation membership and its local Units regarding new legis-lation or management plans related to government regulations of the backcountry.
- To support or oppose new proposals, plans and restrictions as related to the interest of horsemen and those persons interested in recreational stock use and enjoying the backcountry.
- To promote the interest of people who, due to health or physical factors, need transportation other than by foot on backcountry trails.
- To promote public awareness and interest in the historical aspect of horsemen and stock in the back-country and to help educate backcountry users on the ways to use the trail and foraged in a manner that conserves the backcountry resources.
- To assist in keeping the public informed of the vital need for a clean backcountry.
- To promote a working relationship with and keep the work and interests of the Corporation before our local, state and federal officials.
- To assist in the formation and continuation of local Units to carry out these purposes.
